

## Environment Policy LIBERTY GALATI S.A.

**We are a company with an integrated steelmaking flow** that provides a wide range of products (heavy plate, rolls, galvanized and organic coated strips), manufactured in accordance with national and international standards to fulfil the strict customer specifications.

**We've implemented the environmental management system** in accordance with the requirements of ISO 14001 standard, the scope of which starts from raw materials entry into the organization until the departure of finished products for distribution to the customers.

**We propose ourselves an ambitious strategy** designed to trigger the spurring of sustainable development, integrating environmental protection into our current and future business.

### Our commitments

- 1. To protect the environment** and keep up to date the environmental management system to be certified ISO 14001, providing the framework for establishing and analyzing the environmental objectives.
- 2. To run our activity complying with all conformation obligations,** especially environmental legal requirements applicable to the environmental aspects that we can control and influence, generated by our activities, products and services.
- 3. To continuously improve** the environmental management system in order to increase environmental performance by adopting the measures for pollution prevention.

### Our objectives regarding environment protection

- 1. Application of low environmental impact production methods,** manufacturing and development of the environment friendly products focusing on their use and subsequent recycling, minimizing waste generation;
- 2. Sustainable use of natural resources, water, energy and land;**
- 3. Managing and reducing,** where it is technically and economically feasible, of the pollutant emissions especially of **CO2 emissions;**
- 4. Employees, suppliers and contractor's awareness** into respect of LIBERTY GALATI S.A. environmental policy and practices;
- 5. Open communication and dialogue** with all stakeholders affected by LIBERTY GALATI S.A. operation, encouraging fact-based debates.
